**Toilet Twinning - Final Update.** When this project began in February, I could not have imagined that I would be able to announce that our combined efforts have raised £1600 towards the life-changing work done by Toilet Twinning. I am truly grateful for the generosity of spirit that everyone has shown: it is truly amazing what we can do when we have a common goal. If the funds raised aren't enough, the Chairman of Shaldon Parish Council has agreed that we can become an official Toilet Twinning Community. I believe this will be a fitting tribute to those members of the village community who have supported our events, but do not regularly come to church. So... what can we do next year? Thank you. Nia
